

HELP US TO KEEP YOU SAFE:

CONFIRM YOUR IDENTITY.

As a patient at St. Joe's, your healthcare providers will ask you to confirm your identity to ensure you receive the right treatment, medication, and procedures.

There are two ways to identify yourself:

VERBALLY

Provide staff with two unique identifiers.

(For example your Full Name and Date of Birth)

OR

VISUALLY

Let staff check your ID band.

You may be asked to provide your:

Full Name, Date of Birth, Patient ID Number, Address, Telephone Number, or Provincial Health Card Number.
