

PREVENTING FALLS DURING YOUR STAY.

By working together, we can keep you from falling.
Here are some tips to keep you safe:

1 Use your call bell if you need help getting out of bed

2 Keep your belongings and call bell within easy reach

3 Wear supportive walking shoes or ask for non-slip socks

4 Use your walker, cane or wheelchair while you're here

We are here to help!

To learn more, please ask your healthcare provider about our falls prevention video and brochure.
