

Lockers

Lockers are available for all employees and are located in the basement of the Glendale and Morrow wings of the Health Centre. Should you wish to have a locker, please come to the Human Resources office to make this request in person. Lockers are available on a first come, first serve basis, and as such you may be placed on a waiting list. Please ensure you have made alternate arrangements (i.e. leave any unnecessary valuables at home, speak with your manager/supervisor to inquire if there is space in your department for you to store any belongings) in the event that we are unable to issue you a locker right away. A \$5.00 deposit will be deducted from your pay for use of the locker and lock. You will be granted access to the locker room via your ID Badge.
